

# CASCADE COSMETIC SURGERY CENTER

Trenton C. Jones, M.D. • 1375 E. 800 North, Ste. 205, Orem • (801) 418-8172 • www.trentonjonesmd.com

**T**he staff of CASCADE COSMETIC SURGERY CENTER in Orem — led by Dr. Trenton C. Jones, a board-certified plastic surgeon — knows that every patient is unique and requires special attention. That is why Dr. Jones takes the time to listen closely to each individual's needs during the initial consultation. Together, they develop a safe and realistic plan that meets the desires of the patient. Dr. Jones enjoys spending time with his patients, and this continues throughout the post-operative visits as he emphasizes personal service and availability for all their questions.

His eye for beauty and perfectionism are witnessed when one walks into his beautiful, state-of-the-art office in Orem. Dr. Jones strives for the natural and exquisite look. He uses the best in equipment and techniques and recently opened an on-site surgical center that allows most procedures to be done under one roof.

The CASCADE COSMETIC SURGERY CENTER has a handpicked staff of highly-skilled nurses and anesthesiologists, allowing Dr. Jones to concentrate on performing the surgical procedure itself, thus resulting in superior results.

Staff members are dedicated professionals who are committed to the highest standards of excellence and achieving top-notch results. His practice is one of close personal attention,

passionate care, attention to detail and clinical excellence. Dr. Jones provides state-of-the-art complimentary massage therapy for his liposuction patients to improve post-operative recovery.

At CASCADE COSMETIC SURGERY CENTER, Dr. Jones performs cosmetic surgery of the face and body and specializes in body contouring through breast augmentations, tummy tucks, liposuction, as well as many other facial and body aesthetic procedures, including Botox and Restylane for wrinkle reduction and lip augmentation. In conjunction with Vivace Medical Spa, we offer skin care, laser hair removal, massage and microdermabrasion.

With Dr. Jones' extensive education and training, combined with his meticulous surgical technique, it is no wonder that he produces exquisite results.

He is the son of a well-known landscape artist, and pursues artistic endeavors of his own such as sculpting, sketching, writing poetry and landscape designing. His artistic eye is truly masterful, and he knows how to bring out the beauty of each individual patient.

Dr. Jones loves living in Utah Valley with his wife and three children, near extended family, and under the majestic backdrop of Cascade and Timpanogos mountains.
