The Makeup of Bron

Sundance's Bron Roylance travels the world as Pierce Brosnan's makeup artist, but he calls Utah home as he has built and furnished five cabins on the back of Timpanogos. He shares his house and love of outdoors with Joe, truly the man's "best friend" — other than 007.

38 Sundance on Display

Think you know Sundance like the back of your mountain? Learn more about the canyon's real estate options, timeline of the resort and digits of distinction.

45 Best of UV

We had you fill in the blanks on our annual Best of Utah Valley ballots. Find out if others agree with you on best restaurants, most influential residents and shopping preferences.

56 Elephant in the Room

The stereotype is true — Utah Valley bleeds red when it comes to politics. Plus, two of Utah's most powerful Republicans moonlight as professionals in Utah Valley.

67 Living Well

Four who have taken on cancer share their optimism — and their realism. Plus, a look at "hit or myths" and a chance for us to help you with your perennial resolution to get fit.
