Trenton Jones, M.D., established Cascade Cosmetic Surgery Center with the idea that a patient should be able to receive the highest quality medical care and the utmost personal attention in a beautiful atmosphere. One visit to his office and you will experience this reality. At Cascade Cosmetic Surgery Center and Medical Spa, Dr. Jones and his staff are dedicated professionals who are committed to the highest standards of excellence and achieving the best cosmetic results. His practice is one of close personal attention, compassionate care, attention to detail and clinical excellence.

Cascade Cosmetic Surgery Center and Medical Spa utilizes the most up-to-date, advanced techniques available to produce attractive, refined and natural results. By enhancing one's appearance, whether it be balancing facial features, reducing unwanted signs of aging, streamlining body contours, or getting back what

nature took away — or never gave in the first place — a person can feel better both inside and out.

Dr. Jones is a board certified plastic surgeon specializing in breast augmentation, breast lift, tummy tuck, liposuction and many other facial and body aesthetic procedures. Dr. Jones also routinely performs Botox injections, Restylane, Juvederm and Radiesse to temporarily rid patients of unwanted lines and wrinkles. His newest procedure, SmartLipo Laser Body Sculpting, is a revolutionary new procedure that eliminates unwanted fat and tightens the skin with laser assisted liposuction.

In addition to his surgical practice, Dr. Jones has now opened Cascade Medical Spa and Laser Center. Together, his master estheticians have more than 50 years of skin care experience allowing for a highly qualified skin care team.

Cascade Medical Spa utilizes the

most technologically advanced laser systems available to offer state-of-the-art laser hair removal for men and women of all skin types, laser spider vein treatment, LaserFacial for photo-damaged skin such as sun and age spots, and scar reduction. Additionally, the medical spa offers permanent makeup, massage therapy, and the popular Synergie cellulite reduction treatment.

Dr. Jones loves living in Utah Valley with his wife and three children under the majestic backdrop of the Wasatch Mountains.
